

# Terms and Conditions

Your registration for one of the trainings, courses, workshops or programs (after this called 'course') is final after receipt of the registration form by S-Sent, your registration via e-mail, or after the activity has started and you participated. The courses consist of one or more lessons. After the Intuition year, Healing 3, the Reading training and Graduate training you will receive a certificate. How the courses are structured can be found on the website. To obtain the certificate and to continue to a next course, you may have missed a maximum of 2 lessons per 12 lessons. These courses are to deepen your inner knowledge in that theme, or to deepen your developed healing or reading quality or to put this quality into practice. These courses consist of one or more lessons or cover a longer period. If you missed a lesson, you can catch up this lesson in the same period and otherwise the next time this course is offered. If a course has already started and a lesson has to be canceled due to unforeseen circumstances, then in consultation with the participants, another option is found, such as another date and/or teacher, or online lesson via Zoom.

All activities of S-Sent are aimed at developing your intuition and personal consciousness. S-Sent is not liable for the consequences. For an activity on location (in the Netherlands and other countries), the participant is responsible for the trip to that location, the costs of the accommodation and the meal, for taking out travel- and cancellation insurance for the trip, and the person must demonstrate that he has an EHIC (health insurance). S-Sent can only be held liable on the content of the course or activity.

S-Sent has rates for private individuals, freelancers and companies. Costs for the activities (with exception of the courses at the Volksuniversiteiten) are:
